SOL = G    SI = B    mi = e

D    A    E

RE = D    LA = A    Mi = E

The diagram shows a guitar body with six strings. The top three strings are labeled G, B, and e. The bottom three strings are labeled D, A, and E. A central button labeled 'Stop' is positioned between the two sets of strings. Below the strings are three buttons: 'SOL = G', 'SI = B', and 'mi = e' at the top; 'RE = D', 'LA = A', and 'Mi = E' at the bottom. The 'Mi = E' button has a dotted border.
