The screenshot shows the FileHippo website for Firefox 27.0. The page layout includes a navigation bar with the FileHippo logo and a search bar. Below the navigation bar, there are social media sharing buttons (Facebook, Twitter, etc.) and a language selector set to 'Français'. The main content area features a large green 'Télécharger Dernière version (23.66MB)' button. Below this, there is a 'Télécharger Gratuit' button and a list of features: 'Téléchargement rapide', 'Toujours disponible', and 'Testé sans virus'. The Firefox logo and name are prominently displayed. The page is divided into sections: 'Description', 'Technique', 'Journal des changements', and 'Commentaires (1)'. The 'Description' section contains text about the browser's innovations, user experience, performance, security, and personalization. To the right, there is a Google advertisement for a 7-inch tablet and a section for 'Autres langues' and 'Anciennes versions' listing various beta versions of Firefox 27.0.
