re-bonjour,

j'ai trouvé la réponse à ta question sur le site des FAQ de WFH:

<http://www.wisecleaner.com/faq.html#6 ... faa623c21186fa8cdc3b545aa>

I removed Wise Folder Hider accidently, do I lose my hidden files?

Don't worry about it. You can get them back. Only need to reinstall Wise Folder Hider, then you can find them.

voilà, c'est réglé !

bonne journée.
