OK le fichier 'Bat To Exe Converter.exe' donne 4/70 ...  
Les 2 autres sont cleans.

**Mais attention : le .exe crée à partir de mon fichier batch de test donne 21/71 !!!**

Mon fichier batch ne contient que :

Dir c:

Testé avec les versions portables. Le résultat est identique avec les versions 32 et 64 Bits !!!  
Pas testé avec la version install, pas de prise de risque ...
